## Flexible Giving that Reflects Your Values

A donor advised fund at the Jewish Community Foundation offers a simple and flexible way to chart the course of your charitable giving - according to your own values and time schedule. Involve your family in hands-on philanthropy and be engaged in your giving.

Centralized giving	Support the many charitable causes you care about through one charitable fund at the Foundation.
Grantmaking	Recommend grants to the charitable causes you care most about - within and outside the Jewish community. Through the DonorCentral feature of our website, you can make grant recommendations and research funding ideas online 24 hours a day, 365 days a year.
Simplicity	Create a donor advised fund with a minimum gift of \$10,000. The Jewish Community Foundation handles the administration and provides quarterly summaries of fund activity.
Family philanthropy	Involve your family in charitable giving. Create a family advisory committee to recommend grants or name your children as successor advisors to the fund.
Tax benefits	Receive a charitable tax deduction. You can time contributions to maximize your tax benefits and meet other personal and financial needs.
Professional expertise	Work with our gift planning professionals, learn about funding opportunities and help create a giving plan to match your charitable interests.
